AFTERNOON TEA DANCE
SUNDAY
16 NOVEMBER

Recycling

A huge thank you to everyone who contributed to the Terracycle coffee packaging competition (especially those who continued to donate during the summer holiday!). Special thanks to Brenda Nicolaou for her tremendous efforts in collecting, collating & posting the packaging. We maintained our 3rd position & won a bench made of recycled materials, £20 & a year's supply of Kenco coffee. The bench & some of the coffee will be donated to the Crescent Centre as thanks for supporting all our recycling efforts.

Alzheimer's Research UK will be receiving 4p per wrapper for every sweet biscuit wrapper we recycle for the Terracycle biscuit wrapper competition until the end of the year. Top 20 recyclers win a share of points totalling £500!! So please continue to bring your wrappers to class at the Crescent Centre, Lower Earley.

We are amazed at your continued efforts – so far this year you have reached a total of £700 for our charity – just from recycling!

PS: Milk bottle tops are collected separately so if you could keep those apart from other recycling items that would be a tremendous help

Charity performance of
the farce 'Noises Off'
At Progress Theatre
Tuesday 25 November
Tickets £11 from class
Proceeds to our charity

Alzheimer's
Research UK
Defeating Dementia
